

YOUR STUDENT IS INTERESTED IN PRE-HEALTH – NOW WHAT?

FOR ADVISORS IN ALL COLLEGES BECAUSE THERE IS NO “ONE” MAJOR OR COLLEGE THAT STUDENTS HAVE TO BE IN WHILE THEY ARE PURSUING A PRE-HEALTH TRACK

PRESENTER(S):

- MADELINE ANDERSON, ACADEMIC ADVISOR, ARTS & SCIENCES ADVISING SERVICES
- SHANNA PENDERGRAST, ASSOCIATE DIRECTOR, ARTS & SCIENCES ADVISING SERVICES

DESCRIPTION:

Have you even been meeting with a student and they mention they want to pursue a pre-health career and you have felt ill equipped to help them? If so, this session is for you. We will cover topics including resources to refer students to, when and how to make referrals to A&S pre-health advisors, the pre-professional file process, and more.

LEARNING OUTCOMES:

- Participants will understand that students who are interested in a pre-health field can major in anything at UT
- Participants will gain knowledge regarding reliable pre-health resources for students
- Participants will be able to provide students with general pre-health information
- Participants will know who they can refer students to for additional pre-health advising
