

Fall 2020 Session Proposals : Entry # 592

Working Session Title

Helping first year, transfer students, and inquiry students navigate the transition into the Tickle College of Engineering

Presentation description (short paragraph)

We plan to discuss the transition of students from different places into engineering. We will talk about the freshman experience of integrating into engineering, the transfer experience of moving into UT for engineering, and hopefully get some of our community college partners to join us in this discussion. We will also talk about student resources and future plans for the program.

Learning Outcomes (2-5)

Provide non-engineering advisors with a better understanding of TCE admission process. Provide discussion points for advisors dealing with students denied admission to engineering.

Presenter(s)

Presenter Name (first last)	Presenter College/Unit	Presenter Email
MIKE TAYLOR	TCE/EECS	mtaylor1@utk.edu
JOANNA RATHBONE	TCE/EECS	jrathbone@utk.edu

Is your presentation UT specific?

YES

Is Your Presentation Directly Related to Academic Advising?

Yes
